Property Details

Plot of land

Mala Tsurkva (little church) village is situated at the foot of the Rila Mountains and is one of the best in the area. There are municipality, post office and a few shops and coffee bars.

The village consists of two parts – higher (where most of the local people live) – and lower (which is a villa area). Iskar River goes through the lower part of the village and the views to the mountains are gorgeous. The village is 20km away from Borovets ski resort.

It is also only 15km away from the ski centre of Maliovitsa and 30km from Iskar Lake.

The plot is accessible in winter, is in regulation and has electricity and water nearby.

BCM

BULGARIAN
CONSTRUCTION MANAGEMENT

With our Bulgarian Construction Management company we are able to offer the overseeing of all of your building projects from our offices in Bulgaria and here in the UK. We understand that many clients do not want the 'hassle' of having to organise the necessary arrangements in order to proceed with such a project. Using our BCM services will give you the peace of mind that your home/investment is under our supervision, providing you with regular up-dates and pictures of the progress of your project from our UK office. We have many clients going through this process and many whom have now completed their BCM project. Should you wish to talk to any of these clients please let us know as we and they will be happy to answer any of your questions.

* The cost of repairs, renovations and improvements are all subject to separate surveys, contracts and the investment levels will depend on the type, style and quality of work required.
